Reston Developer, Jim Cleveland, Joins Tetra Partnerships

Reston, VA – Tetra Partnerships is pleased to announce the appointment of Jim Cleveland as Vice President and Associate Broker. Mr. Cleveland is the newest executive to join the Tetra team and brings with him a wealth of experience and industry expertise. Prior to Tetra, Mr. Cleveland was employed by the four developers of Reston for 30 years from 1967-1997 including 12 years from 1984-1996 as President of Mobil Land Development Corporation/Virginia, Reston Land Corporation and Reston Town Center, Inc., responsible for the development of Reston, Reston Town Center and other Northern Virginia Projects.

“Jim has been a driving force in the successful development of Reston,” said Bill Lauer, President of Tetra Partnerships. “We have experienced major growth in our commercial development projects at Tetra and are extremely pleased to have him join our team. He is a lifelong colleague, a cherished friend and community leader.”

Mr. Cleveland will be working on Tetra’s rapidly growing division of special commercial projects. “Tetra has a great reputation in real estate development in the Washington region and I’m very excited about working with Bill and his fine team of professionals,” said Mr. Cleveland.

Mr. Cleveland has been and is active in many key industry trade and community organizations:
